

Whitetails of Wisconsin Banquet & Fundraiser on March 15, 2025

DONATION FORM

No donation is too small, and every one is vital to our growth. We have many challenges ahead for our industry and need both funds and member participation to survive. WOW is one of the state associations leading the way for our industry, taking part in the rule-making processes and funding CWD research. WOW has been able to come to the aid of our members, as well as other states, in their times of need because of your generosity in the past. It is very important that we maintain this. If you're unsure of what to donate this year, consider becoming a banquet sponsor, options are listed below.

THANK YOU for *any* donation you can make!
